

Dear Giant Pumpkin Grower Club Member,

Wallace Organic Wonder (WOW) is gearing up for a BIG 2020 season! I would first like to thank everyone for your tremendous support throughout my 5 years in business.

I am humbled by the continued support growers have shown WOW through my website, social media, and on www.bigpumpkins.com. Spreading the word about what the “giant pumpkin community” has done for gardening worldwide has “opened eyes” as to what can be accomplished when we work together as one!

Your support has helped place WOW in a position where I was able to once again give back to this wonderful community. I am pleased to announce that WOW has made a \$1,000 donation to the Great Pumpkin Commonwealth for use at their discretion. This will bring the total amount of contributions from WOW to \$7,825. As WOW becomes more successful, I am confident that I can continue to donate even more to the GPC and all the growers in the future.

If your club is having a seminar and you are interested in significant savings on bulk orders, please see the attached price sheet. I’m pleased to be able to offer the products at the same price as last year. As per last year the actual shipping charges will be added to the invoice. I do not add ANY handling fees like most companies do. I will simply be charging what my costs are to ship your order. Bulk orders must be placed no later than 14 days before your seminar or pick-up date. I only ask that one check for the entire order be made payable to Wallace Farm, LLC for payment.

Please email me at ron@wallacewow.com if you have any questions. I thank you and your Club Members for your continued support, and I look forward to the opportunity to serve your members with high quality products, good pricing, and superior service!

Ron Wallace
